RE: Suspension of HopSOL Youth Soccer League Activities due to the COVID-19 Pandemic

Following the recent communication from H.E. President Hage Geingob and the Ministry of Education, Arts and Culture the Management of the HopSOL Youth Soccer League has made the decision to postpone all League for a period of 30 days, in order to protect our players, their coaches, supporters and everyone involved in the League.

Activities include, but are not limited to the league games, tournaments, trainings, meetings, any other social gatherings or activities.

Following the end of the recommended 30 days an announcement will be made as to whether the activities may or may not commence.

We thank you for your cooperation and understanding and urge you to take care of yourselves and your families. We further urge you all to practice basic hygiene as advised by the Ministry of Health and Social Services.

Yours in Sport

Collin Benjamin
